HONORING THE PENNGROVE SOCIAL FIREMEN

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 21, 2023

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor the Penngrove Social Firemen and the 100th anniversary of the opening of the Penngrove Social Welfare Club House.

The Penngrove Social Welfare Club was established in 1919 by a group of women from Penngrove, California, who were holding monthly social meetings at their homes. They held dances and card games at other halls in the area, but needed a place of their own to serve their community. The Penngrove Social Welfare Club and the Penngrove community pitched in to donate their time, money, and energy to construct the Penngrove Community Clubhouse where a Grand Opening was held on March 10, 1923. One month later they hosted the club's first public dance, charging a 50 and 75 cent admission fee.

In 1929, the Penngrove Social Welfare Club donated a parcel of land to build the much-needed firehouse for the Penngrove Volunteer Fire Department. More than two decades later, the fire department purchased four acres of land to develop the Penngrove Community Park. At this time the Penngrove Social Firemen were formed. In 1963, the Penngrove Social Welfare Club sold the clubhouse to the Penngrove Social Firemen. Since then, the clubhouse has served as a meeting place for folk dancers, Finnish community members, 4-H meetings, voting, and fundraiser dinners. In 1976, the Penngrove Parade was established by the Social Firemen to honor the country's Bicentennial and the parade has continued to be held ever since. Community members have fond memories of their elementary school graduations and Christmas pageants in the grand building on the corner of Woodward and Oak Streets.

From its humble beginnings the Penngrove Social Firemen has been an entirely self-funded, non-profit organization. The dedicated team of directors, officers, and members volunteer their time to maintain the clubhouse and the community park with an emphasis on supporting the community. The Firemen support many beloved community organizations

such as Penngrove School, Rancho Adobe Fire District, Petaluma Little League, Boys and Girls Scouts, Christmas for Kids, Penngrove 4-H, and Petaluma FFA.

Mr. Speaker, it is evident that the Penngrove Social Firemen have devoted themselves to serving our community. Therefore, it is fitting and proper that we honor them here today.

CELEBRATING JOHN GIBBONS' SERVICE AS A VOLUNTEER FIREFIGHTER FOR THE BELLEROSE FIRE DEPARTMENT

HON. ANTHONY D'ESPOSITO

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 21, 2023

Mr. D'ESPOSITO. Mr. Speaker, I rise today to honor the heroic accomplishments and career of John Gibbons.

A lifelong resident of Nassau County, Mr. Gibbons grew up in the Floral Park Bellerose community, graduating from Archbishop Molloy High School. He then moved to Bellerose Village in 2001. Mr. Gibbons is a family man, raising 4 kids: Anthony, Olivia, Katherine, and Elizabeth. In June, Mr. Gibbons will celebrate 30 years of marriage with his wife, Lori. On top of being a decorated fireman, John has worked in the banking and finance industries for nearly 3 decades.

John Gibbons has been a member of the Bellerose Volunteer Fire Department for 21 years on Long Island. John has risen through the ranks throughout his time there, holding many different positions because of his character and dedication to serving his community.

Mr. Gibbons has held both corporate officer positions and Firematic officer positions. During his time in the corporate office of the Bellerose Fire Department, Mr. Gibbons held the positions of Secretary, Treasurer, and Vice President. While working as a Firematic officer, Mr. Gibbons served in all Firematic officer positions: 1st Lieutenant, 2nd Lieutenant, Captain, Deputy Chief, and is now serving as Chief of the Department.

While bravely serving the Bellerose community, Mr. Gibbons managed different programs and initiatives vital to the Department. While Mr. Gibbons was a Captain, John organized, supervised, and conducted 40 fire drills within a year. These drills incorporated all phases of firefighter training, preparing each firefighter for the next incident. As Chief of the Department, John is Incident Commander for all Fire Emergencies; in addition, John is the Incident Commander for 4 weeks of training at the Nassau County Fire Academy for Bellerose firefighters.

As an Ex-Chief of the Island Park Fire Department, I understand the importance of Mr. Gibbons' contributions to the Bellerose Fire Department and the surrounding community. John's long career is inspiring to other firefighters and his neighbors, but more importantly, John embodies the characteristics of an excellent fireman.

On behalf of New York's 4th District, I am esteemed to recognize his astounding career and his brave service as a firefighter. I wish John a bright, healthy, and exciting future.
